1. Details on future activities/plans, including dates and funding. (Continue on back if necessary.)

Discussed a Curriculum Vitae Workshop. The club felt it would be a good event to host, but that we should wait until later in the year, perhaps after Winter break. Community Service was the focus of our meeting because it is the focus of the club this year. Different ideas were given about cleaning up ruins and volunteering at local schools. We discussed the Professor Panel, where the Anthro professors will be invited to briefly present their research and background in Anthropology. Melanie volunteered to approach the professors about available dates, perhaps late October. All of the events discussed will be brought before the second "first" meeting on 9/21.

2. Items agreed to or voted on. (Continue on back if necessary.)

The club agreed that doing a fundraiser at the beginning of the year was necessary before beginning to plan any kind of trips. We discussed having a bake sale and selling Anthro Club t-shirts/koozies at the Professor Panel we are planning.
