

Anthropology Club Travel Authorization Form

- **Anthropology Club Code of Conduct (see Bylaws, Section 3.08)**
 - (a) There will be no alcohol or any other intoxicating substances used at any time during a club-sponsored activity. This is not a tolerance issue, with any and all violations being immediately investigated by the club officers.
 - (b) If the officers determine that such a violation has occurred, they will immediately take disciplinary action—including confiscation of illegal substances, expulsion of the violator, transport of the violator to medical facilities, or contact with law enforcement. Such action will be determined by the majority of the officers present and the faculty advisor.
 - (c) The club will not conceal or condone illegal activities and will turn those found to be engaged in such activities over to law enforcement and will also report violations to the Dean of Students.
 - (d) Any expenses incurred will be the responsibility of the violator and not that of the club.

- **Bylaws Article X. “Off-Campus Activities”**
 - Section 10.04: If the club officers expel any member while off campus due to infringement of the Code of Conduct (Section 3.09), that person will be responsible for their own transport home, and will bear the responsibility for any expenses incurred (medical, legal, transport, etc.).
 - Section 10.05: Only members of the Anthropology Club will be allowed to accompany the club on off campus activities. Non-members will only be allowed on off campus activities if:
 - (a) Non-members are accompanying a faculty or staff member.
 - (b) The non-member is necessary for the activity to occur (ie. Guide or volunteer)
 - (c) The Presence of a guest is sponsored by an active member only, written request of the non-member is given to the club officers, approved by the officers, and that it is understood that the sponsoring club member is responsible for all actions of the guest and will take responsibility for those actions, and the Travel Liability Waiver/Emergency Contact form and Cond of Conduct are signed.
 - (d) Non-members always pay for the off campus activity in the case that it is financially sponsored by the club.
